Now Accepting Students for 2026-2027

OCEAN STATE ACADEMY

Ocean State Academy is a highly specialized school dedicated to meeting the diverse educational and behavioral needs of K–12+ students (ages 5–21) facing significant learning and social-emotional challenges. Serving all school districts in Rhode Island, OSA provides **highly individualized differentiated instruction, intensive academic and behavioral interventions**, and a **school-wide incentives-based behavior modification program** focused on self-motivation, self-management, and healthy social interaction.

Every day for every student, we concentrate on implementing leading-edge best practices that quickly and effectively guide students to **meaningful growth, sustainable success, and personal empowerment**. We're always looking for ways to enrich our program and enhance our curriculum, with current highlights including:

- State-of-the-art classrooms equipped with updated technology
- Highly qualified staff of licensed special educators, reading interventionists, SLP & OT
- Designated social worker assigned to each student for personalized attention & counseling
- School Ambassador Mentorship Program, complete with guided leadership, extracurricular activities & team-building experiences
- Fun & engaging field trips, school clubs, monthly awards, annual talent show & school fairs
- Robust transitional-based programming that offers career training & preparation
- Brand-new workforce partnership with Electric Boat, with a focus on STEM learning
- Comprehensive Culinary Arts Program, featuring professional-grade kitchen on campus, ServSafe® certification & catering opportunities
- On-campus woodshop for carpentry training
- Job placements in the community
- SIT (School Improvement Team) meetings with parents and faculty to build community

Immediate Availability: Call us today to learn more about how we can best serve your students in the best possible environment for them!
